### A Call for Spiritual Renewal Towards Flourishing in Hard Times

Nothing ever takes God by surprise. God knows the end from the beginning (Isaiah 46:10). He knows there will be hard times and has a rescue plan for His people. Our rescue begins with salvation but demands spiritual renewal for delivery (Psalm 11:3; Colossians 1:13; Hebrews 2:3). Behind the struggle of the redeemed is the lack of the fear of the Lord (Proverbs 13:15; Isaiah 3:10-11). Nothing flies in hard times like the fear of the Lord. Joseph flourished as a slave and prisoner because he feared God (Genesis 42:18). Daniel was indestructible because he walked in the fear of God (Daniel 1:8; Daniel 6:3-5). The fear of God gave him his place in destiny (Psalm 25:14; 1 Corinthians 3:11; 2 Timothy 2:19-21). Every great destiny in the Kingdom has its root in the fear of the Lord.

Revelation is inaccessible without the fear of the Lord (Psalm 25:14; Deuteronomy 29:29). God's covenants are revealed only to those who fear Him. It is time to renew our spiritual altar (1 Corinthians 2:14). God turned His back on Solomon His lover, so it is possible to lose the fear of God once you fall out of love with Him (Proverbs 1:23). The sure foundation of every great destiny in the Kingdom is a deliberate departure from whatever displeases God. No believer's life can be more fulfilling than his spiritual state (Romans 8:6). No one can sustain prosperity beyond his spirituality (3 John 1:2).

No one can command the supernatural beyond his level of spirituality (Acts 19:16; 2 Kings 4:31; Jeremiah 17:10). We must give appropriate attention to the foundation of our faith to give beauty to our destiny (Matthew 1:21; Psalm 37:18-19). Hypocrisy does not fly with God (Psalm 33:18-19; Exodus 10:22-23, 9:6). God's lovers are always exempted from evil. Our spiritual standing determines our standing in hard times (Genesis 12:3). The devil injects unrighteousness into the church to bring us outside of God's covering. When we lose our stand with God, we lose everything (Judges 16:20-21; 2 Timothy 2:21).

### What is Spirituality?

- **A crave for godly living** - Exercising oneself unto godliness as a way of life (1 Timothy 4:7-8). A crave to please God at all cost (John 8:29; Hebrews 12:4; 1 John 3:7). What we read cannot change us, but only what we see in God's word (1 Kings 17:16).
- **A faith driven determination to live a holy life (1 Peter 1:15-16)** - It must be faith driven because we cannot make the determination by our strength or will (Philippians 3:13-14; John 1:17; 1 Corinthians 3:3). There is nowhere in the bible where sin is justified (1 John 3:8).

## What is Spirituality? Cont.

- Delightsome obedience to the commandment of scriptures (**Psalm 112:1-3; 2 Corinthians 6:17-18**) - There is a position to stand for God to be a Father to us and give us the needed covering (John 1:14, John 8:10-11). Jesus never condoned sin, but condemned it (Matthew 7:23; 1 Thessalonians 2:10; Romans 6:1; 1 Corinthians 9:27). Whatever truth God shows us from His word will show in our life because it changes us (Acts 24:16; 2 Corinthians 1:12). We need the testimony of our conscience and there is no way we cannot be proud and not know (2 Corinthians 4:1-2). Faith loses its potency where good conscience is lacking (1 Timothy 1:19, 3:9). Pure conscience faith is the faith that works.

Transformation begins with renewal of the mind (Romans 12:2). We need spiritual repositioning to possess our possession (Obadiah 1:17; Acts 20:32). Our inheritance demands sanctification for delivery. Sin is not a friend but an enemy. It always has a bitter end (Isaiah 25:6-8). It is not enough to be born again, we must endeavour to stay alive in Christ by staying off everything that kills and destroys (Revelation 3:11; 1 Timothy 5:6). Sin may be pleasurable, but it kills and destroys. Light is the only way out in these days of gross darkness (Isaiah 60:1-3). The enemy will try all possible efforts to block our access to light (2 Corinthians 7:1). It is time to start feeding from the word of God (Matthew 4:4; Ecclesiastes 9:7).

## Testimonies

### 10 Years Barrenness Destroyed by the Power of God - Feyi A.

I have come to redeem my vow to the God of Bishop Oyedepo and to the God of Shiloh, who terminated 10 years of barrenness in my marriage. We had been to various hospitals for medical check-ups all to no avail. But Shiloh 2021 was my Shiloh. The bishop announced that we should come with our baby items to the altar. I made sure that nobody got to the altar before me because I was desperate for a miracle. The Bishop then said, "In 9 months' time, we are going to come back with our babies in our hands." He said, 'Except the Lord has not called him...', I held on to that word and I told God to confirm the word of his servant in my life. Then January 2022 came and while waiting, we engaged in Kingdom service. We attended the Covenant Hour of prayer, engaged in all other Kingdom operations and I gave my Shiloh sacrifice like never before. In June 2022, I was confirmed pregnant! On the 5th of February 2023, the testament of the efficacy of the liberation mandate arrived. I have come to Shiloh with my Samuel. May God alone be praised!

### Moving from Glory to Glory - Wilfred K.

At last year's Shiloh 2022, I was saying to myself, come this year's Shiloh 2023, I will share my testimony to the glory of God. I joined Winners Chapel International in 2002 in Ghana. With commitment and dedication, I kept on serving and following Kingdom endeavours. The Lord kept moving me from glory to glory just like a dream. In 2016, I was appointed as the Secretary General of the ECOWAS Insurance Broker Scheme. My predecessor served two terms, which is 8 years. I prayed that I would do more than 8 years and even before the end of the 8 years, which is next year in 2024, my contract has been extended to an additional term beginning from January 2025. I give God all the glory!

### 13 Years Barrenness Destroyed with Triplets - Ese O.

My family waited 13 years for these miracles of God. In all that time, nothing deterred my husband and I from serving God in our various capacities. I attended Shiloh's Mothers and Fathers of Nations classes from 2010 to 2020. In 2021, I believed God had heard my prayers. In March 2022, our father Bishop David Oyedepo admonished us to remain steadfast in our stewardship to God and told us to go and carry our Isaac. Then in August 2022, in the week of Spiritual Emphasis my word came. The Bishop began the week by saying he was going to show us a picture of redemption, divine health from the word of God. He gave an analogy of one being in the supermarket of sickness and disease and Jesus' blood was the price paid for our total health. I caught the light and knew without an iota of doubt that I was a fruitful vine. In November 2022, I was confirmed pregnant. The pregnancy was stress free, with no sickness or bedrest. I served gallantly until the Sunday prior to my delivery as stated in Exodus 23:25-26. On July 6, 2023, God delivered me of a set of triplet boys. To God alone be all the glory!

Hard times have already commenced, and no one can pray against this because it is prophetic. We cannot pray against prophecy, but we can take a position as it applies to the fulfilment of the prophecy in our lives. In Isaiah 60:2, there is a clear demarcation between darkness and glory. Darkness is on one side and glory on another side. The scripture is telling us we should not worry about the darkness but expect glory when we see darkness.

Addiction to serving God is our security. The harder it is the more committed we should be (Malachi 3:16-18; Malachi 4:1-2). We become God's property and responsibility when we serve Him. Serving God is Key to our exemption. When we become children of God, we become entitled to inheritance but when we serve God we become entitled to rewards. Inheritances are promises but rewards are covenant. Promises may change but covenants cannot change. God answers promises to an extent, but He is committed to covenants. Nobody can change our covenants or alter our rewards. We pray for promises but we walk in covenants. He will spare His own sons that serve Him (Malachi 3:18).

## STEWARDSHIP SECURES EXEMPTION IN HARD TIMES

**BISHOP DAVID ABIOYE**

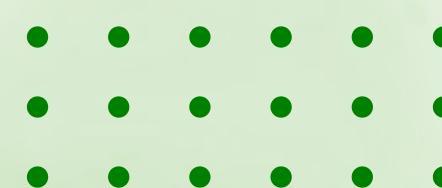

PLAY NOW

No one can escape hard times (Malachi 4:1). However, there is good news for His sons. We will be going up and those who do not serve God will be going down (Malachi 4:1-2). We learn our way out of hard times and there will always be a way out (1 Corinthians 10:13). From scriptures it is discovered that all known servants of God enjoyed exemption in hard times. Shiloh is a learning centre and not a magical centre (Matthew 11:29).

### Examples from the Scriptures of Servants of God who Enjoyed Exemption in Hard Times

- Daniel was exempted from destruction because of his commitment to service to God (Daniel 6:20-22). We cannot change God's ability, but we can activate God's ability. As we render our services to God, we are activating God's ability to work in our favour.
- Shadrack and Abednego were not consumed by fire (Daniel 3:28). Servants are always delivered because God needs their services (Daniel 3:17).
- Job was remembered for his services to God (Job 1:8-10).
- Hezekiah was exempted from untimely death because he was remembered for serving God (Isaiah 38:1-5).

When we serve God, He takes sickness away from us and we enjoy His covering on every side (Exodus 23:25-28).

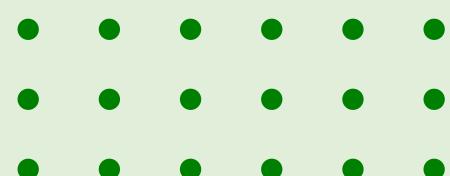

## How to Serve God Acceptably?

- We must serve God lovingly (Deuteronomy 10:12; 1 Corinthians 11:13). Our relationship with God gives value to our walk with God (Isaiah 38:3; Romans 8:35; Songs of Solomon 8:6-7).
- Serve God willingly (Isaiah 1:19; 2 Corinthians 8:12).
- Serve God dutifully and faithfully (1 Corinthians 4:2; Matthew 24:45; Luke 19:13).
- Serve cheerfully and delightfully. Going about winning souls cheerfully. Our cheerfulness attracts God and helps us escape hard times (Malachi 3:14; Deuteronomy 28:46 -48).
- Serve God continually (Daniel 6:20-22; Galatians 6:9; Corinthians 15:58).
- Serve God righteously (Isaiah 52:11).

## Platforms for Rendering Our Stewardship Before God

- The altar of prayer and fasting.
- Serving the Kingdom of God and its advancement.
- Praying for the salvation of souls and their establishment.
- Praying for the salvation of our neighbours.
- Praying for our pastors and ministers of the gospel (Colossians 4:12; Luke 2:37).
- Soul winning and their establishment (Matthew 28:18-20; Mark 16:16-20; Luke 14:21-23; John 4:35-36).

Confessing we cannot be poor is not enough to take us out of poverty. The worse form of deception is self-deception. We need to discover the secret of Kingdom wealth. We need an encounter of light to flourish in hard times. Hardship is a scriptural agenda that cannot be averted globally but can be avoided through covenant practice (Isaiah 60:2).

Hardship is a global problem, but it can be avoided if we practice what the bible says. Those who dismiss God's financial method will suffer financial crises. 'I don't have' is the mentality of a man who does not want to come out of hardship.

## COVENANT SECURITY IN HARD TIMES

PASTOR DAVID IBIEYOMIE

PLAY NOW

### Factors that Secure Our Security in Hard Times

**1. We must be conscious of our exemption status in Christ** (2 Corinthians 8:9; Genesis 26:12; Galatians 4:28). No matter what is happening in the world, our case is different as children of God (Genesis 47:27). Our mentality defines our dignity, so we must see it, think it and believe to be able to enjoy exemption.

**2. Embrace the love factor** (Mark 12:30-31). Love is the foundation for all covenant practices and those who seek God do not sink (Matthew 6:33; 1 Corinthians 13:3). True love for God will make us place high value on God and His kingdom.

**3. Understand the place of God's prophet in covenant harvest** (2 Chronicles 20:20). A prophet plays a key role for prosperity in hard times (Hebrew 7:7). The voice we listen to is the voice that will benefit us. Our reaction to a man of God turns God's reaction to us (1 Kings 17:9; 1 Kings 17:13-14). Without a prophet we cannot make profit.

**4. Obey the law of seed time and harvest** (Genesis 8:22; Numbers 23:19). It is only those who plant their seed faithfully that will harvest bountifully. We can never come out of hard times except we are cheerful givers (Malachi 2:13; 2 Corinthians 9:7). We should put a smile on our face when giving offering because our seed is the voice that our financial future obeys. We can take a seed to meet any need. The exchange price of our future harvest is our present seed and every farmer gets a harvest depending on the seed sown. The best time to sow is during hard times (Genesis 26:12). Giving is the provider of the blessings (Malachi 3:10; Proverbs 10:22). Abraham had a blessing because he was a tither.

**5. Live a life of patience.** In the school of seed time and harvest, the day you plant is not the day you harvest. Patience is holding on to our desired harvest (Galatians 6:9). Patience is keeping a good attitude whilst waiting for the harvest. When our cloud is full it will empty itself.

## UNVEILING THE MYSTERY OF SUPERNATURAL SUPPLIES

**PASTOR DAVID OYEDEPO JR.**

It is important to recognize that no one can operate in the supernatural with an illiterate mentality because as a man “thinketh in His heart so is he” (Proverbs 23:7). According to Scriptures the supernatural is expected to be the natural state of the redeemed (John 3:8). We are born to live supernatural lives, so it is expected to be the natural way of living and the natural lifestyle of every believer. Nobody can operate in that heritage without possessing a supernatural mentality.

The great challenge, therefore, is how we migrate from the supernatural realm? What makes it a challenge is that we are born through a natural process, we went through a natural upbringing, we went through a natural school system, we took natural professions or careers, we developed natural skills and talents, but we are ordained to live a supernatural life. That means that we have been so trained in the natural that we must be retrained for the supernatural. It takes a supernatural mindset to experience a supernatural lifestyle - this is a tasking migration and it is why we must position ourselves in a way that we transition our thinking from the natural to the supernatural.

### The Importance of a Supernatural Mindset

God has packaged supernatural means to address the supplies of the supernatural. We've been told that as far as the prophetic calendar is concerned, the last days are ordained by God to be hard times for the world (Malachi 4:1). We are in the days where the shaking of the earth will affect every corner of it. There is no place to physically run to. We are coming to the days where the places that used to be called developed are entering very colossal struggles. These are the realities of the last days. The whole earth will burn like an oven. This is the prophetic calendar of God and it cannot be pushed aside by prayer. This means that in these last days, the world will be generally hard. However, for those who align themselves with God's covenant, things will be personally sweet for them as this is God's agenda for them. For it to be our personal experience, we require a supernatural mentality. We must recognize that the hardship is real, the hard times are here, but supernatural supplies are available.

No matter how hot the wilderness season may be, no matter how dry the desert may be, the God that we praise will supply all our needs. Kingdom service is what provokes our access to supernatural supplies (Psalm 34:10). When serving God becomes our lifestyle, the supplies of heaven become our portion. We shall not lack any good thing. Serving God always procures His blessings.

### Keys to Gaining Access to Supernatural Supplies

- Through the Covenant.
- Through obedience (John 2:5). Obedience is the trigger that provokes the release of heaven supplies. There is power in obedience.
- Through engagement on the harvest field.
- Though tithing.
- Through engaging with unconditional faith.

## UNVEILING THE SUPERNATURAL POWER OF LOVE

**BISHOP DAVID OYEDEPO**

PLAY NOW

It takes meekness to access light (Psalm 25:9). Shiloh is a feast of the Word and we gather to learn the way out of unwanted situations. We must be reminded that God has a plan for exemption for His people.

Genuine love for God makes the believer a living wonder (1 Corinthians 2:9). It gives the believer access to the deep things of God that makes highfliers of the earth. It makes the believer an impossible case for the devil because the love of God secures divine presence for the believer. True lovers of God are indestructible (1 John 4:16). Love doesn't fight. The battles clear the way when love is coming. When the love of God is at work in a man, great things keep happening on their own accord (Romans 8:28).

### What is Love?

- It is living a God-first lifestyle, which is the greatest commandment of the Lord.
- It is placing God above all things including oneself.
- It is a Kingdom advancement priority lifestyle.
- It is loving what God loves. Love for God is not theoretical, but it is practical.
- It is to deny oneself for Christ's sake by depriving one's needs for His sake.

Staying in love with God makes a failure-proof believer because love never fails no matter the hardships in this earth.

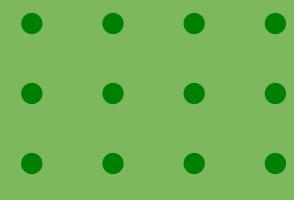

### What is Love?

- It enhances access to wisdom from above.
- It empowers faith to deliver maximally.
- It engenders access to revelation.
- It commands open proof.
- It makes a believer failure-proof.
- We become a carrier of divine presence.
- It makes the believer a living wonder.

### Some of the Proofs of Love Found in the Scriptures

- If we love Him, we will love His Word.
- If we love Him, we would serve Him cheerfully.
- If we love Him, we would give willingly to the cause of His Kingdom.

God's love never lacks proofs. Every true lover of God commands open proof like we saw in the case of Paul. The Word of God enhances our access to Revelations (John 15:15). The larger our love for God, the bigger are His revelations to us.

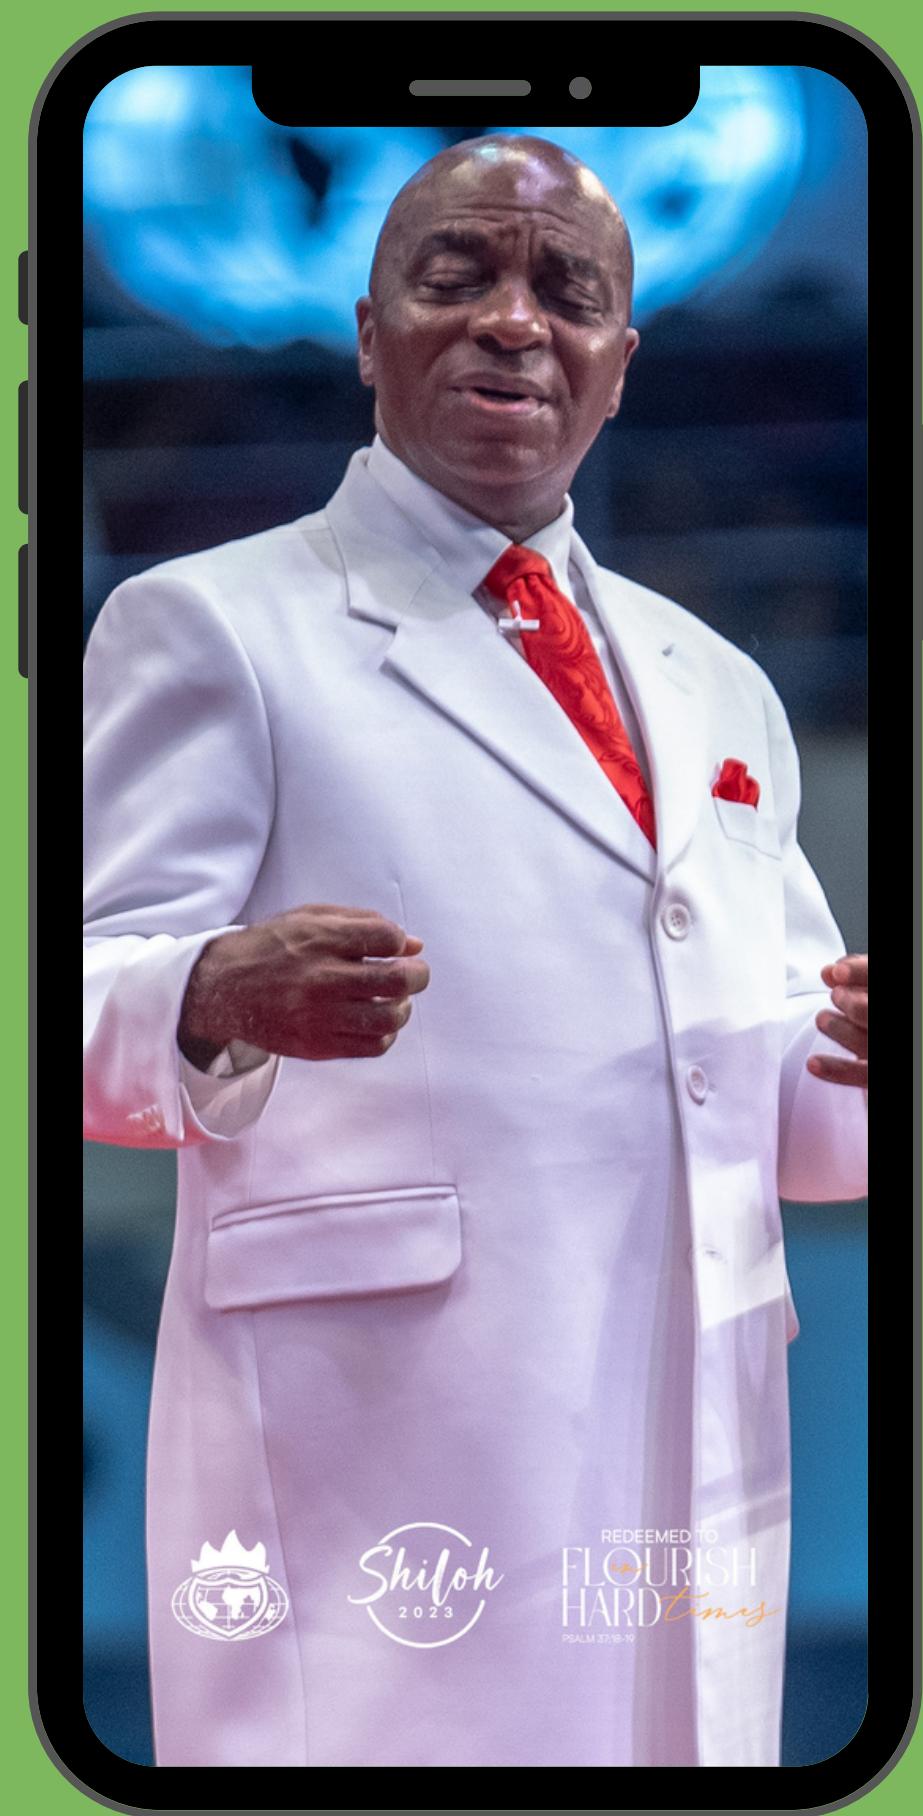

## A PROPHETIC GLIMPSE INTO THE HOUR WE LIVE

BISHOP DAVID OYEDEPO

The bible is a prophetic bank and contains the surer word of Prophesy because it came out of the mouth of God (Isaiah 34:16). Those who have a prophetic perspective of the word don't have problems believing. God has an agenda as we see in the scriptures (Matthew 24:6-14). Prophetic words are not threats; they are the declarations of things that must be (Matthew 24:6-8; Luke 21:7-11). They are divine verdicts and pointers to prophetic events. They are not predictions, but God's agenda and no policy or circumstance can alter them.

### Spiritual Challenges of the Hour

- Iniquity shall abound (Matthew 24:12). There will be new phases and models of sin. Sin will be redefined. We must wage war against iniquity so that it does not subdue us.
- The love of many shall wax cold (Matthew 24:12). We must keep our love on fire. We must not be discouraged because sinners are seemingly succeeding.
- The Faith of many shall fail (Luke 18:8, 22:31). Weak faith cannot stand the horrors of the hour, we must invest in building our faith. Our faith has unlimited capacity to grow.
- Many deceivers and false teachers will rise (Matthew 24:11; 2 Peter 2:1-3). We need to build ourselves so that the enemy does not take advantage of our ignorance (Titus 1:10; 1 Timothy 4:1-2).
- Many shall be offended and give up on God (Luke 17:1). Offences will come but to be offended in God is to sign up for failure. Refuse to be offended in God so that you do not get stranded. Let the joy of eternity be what controls us (Hebrews 12:2). There is always what to endure before we arrive at what to enjoy. Our times are in His hands, His times are not in our hands (Psalm 31:15; Ecclesiastes 3:11).

### Social Challenges of the Hour

- Wars and rumours of wars as nations begin to rise against nations (Matthew 24:6-7).
- Famine (drought, hunger) will hit the world (Matthew 24:7).
- Pestilences, global pandemics and plagues (Exodus 11:1; Exodus 12:12; Exodus 9:6) Only God's presence will count when these things happen. Our faith must be in place and our love for God must be very strong (1 John 4:16; Ephesians 6:16).
- There shall be natural disasters like earthquakes, tsunamis, and floods.

#### Five Good News of the Hour

- There shall be an explosion of the gospel and a global spiritual awakening before the end comes (Matthew 24:14). The end-time is the golden age of the Church. It is the time of horror for the world, but it is the time of glory and honour for the Church.
- The church will occupy the centre stage in the affairs of the world in the end-times (Micah 4:1-2).
- Authority shall be vested in the end-time church. Nations will seek solutions from the end-time church (Deuteronomy 18:18).
- There shall be outbreaks of revelations (Isaiah 11:9; Jeremiah 31:34). Revelation will flow in people like a spring of water.
- There shall arise an army of saints; men and women like nations will start rising in the body of Christ. Giants, the kinds we have never known shall rise from the church (Psalm 87:1-7). A great army is rising in the gloominess and darkness of the world (Joel 2:1-11).

As these things happen, the anger of the wicked shall be on the rise but in spite of the anger of the wicked, no strand of hair will fall from the heads of the believers (Luke 21:18). God will place a seal of preservation upon our heads. It is a lifting with security (Numbers 23:20; Joel 2:11; Psalm 91:15-16; Psalm 112:10).

#### Five Things to Do

- Keep building the faith that works (Romans 4:20).
- Wage continuous war against sin.
- Begin to grow in your dedication and the interest of His Kingdom.
- Keep building your revelation bank, this will expose falsehood.
- Build up your love for God (James 1:22-25).

## Testimonies

### 6 Years Joblessness Terminated Via Shiloh Sacrifice - Bernadette D.

Two years ago, I came to Shiloh and I heard a testimony of how God changed someone's life. I vowed to give God my first pay cheque if He gave me the same testimony. During that Shiloh, I used the little money I had for my Shiloh sacrifice. Last year August a friend told me there was a job opportunity in the UK and I applied. By the grace of God, in February this year I was relocated to UK and started work immediately. I paid my vow to God, by giving all my first month salary just to say thank you. This opened another door for me. I got a better job, my salary doubled, my tithe doubled and so did my offering. Also, I am now debt free. Everything is working for me, and poverty cannot locate me anymore. I have come to return all the glory to God.

### Eight Years Barrenness Terminated – Beauty G-O.

I have come to return all the glory to God for terminating barrenness in my life. I had been married for 8 years, believing God for the fruit of the womb. I came to in Shiloh 2021 and served at the sanctuary stand, attended Fathers and Mothers of Nations' Class and in 2022 God visited me. Today, I am here with my son. I give glory to God!

### From Zero To Millions Via Divine Intervention - Emeka S.

Before coming to Shiloh this year, I was so broke that I got money from my wife for transportation to Canaan Land. When I entered this place, I told God that this year I will double my Shiloh sacrifice. Immediately after yesterday's encounter night, I went outside and switched on my phone. I discovered that I had received several millions from people owing me that I had not even contacted. I am here to give God all the glory.

### Untimely Death Of 16 Years Destroyed Via Shiloh Encounter - Bola A.

We lost three elder brothers in a space of five years and my mother followed immediately. At Shiloh 2013, I bought these books, 'Walking in the Miraculous' and 'Rescued from Destruction' written by Bishop David Oyedepo. We were also told at that Shiloh to write what we do not want in our lives. I wrote that the siege of untimely death be broken. My sister and I have now been rescued from untimely death and we are both over 40 years old. Praise the Lord!

### Two Years Lumber Spondylosis Terminated Via Shiloh Prayer Hour - Joshua F.

In 2021, I had an issue concerning my health. The doctor diagnosed me with Lumber Spondylosis, and I could not bend down or lift any heavy objects. But this morning at Shiloh prayer hour God opened my eyes and I saw an usher carrying some cards, so I stretched my hand and collected one. Immediately I touched the card I felt a deep sense of relief. Before, I could not turn my left hand when driving but now I am able to turn my left hand anyhow. I return all praise to God!

**DAY 2****Twin Baby Boys at Age 50 After 17 and a Half Years of Waiting - Nnenna A.**

I have come to return all the glory to the God of Winners Chapel International and for making every word I receive from this altar become flesh. The reason I joined is because I wanted my daughter to attend Faith Academy. Since joining, I began to key into every prophetic word and my faith grew. Before I joined the church, I had three daughters and heard a testimony of an elderly couple who had a son after they had had three girls. So, I keyed into their testimony and began to attend Covenant Days of Fruitfulness and during Shiloh attended the Mothers and Fathers of Nations class. I brought my points of contact and also brought my friends and God visited them. In May 2022, after 10 years of attending the mothers and Fathers of Nations class, I became pregnant. On 9th January 2023, I gave birth to a set of two baby boys at the age of 50 and after 17 and a half years.

**Marital Delay Terminated - Afuape K.**

The Lord changed my story between 2022 and 2023. I got married this year after experiencing delay. My husband built a house for me, and now we have a bouncing baby boy. Praise the Lord!

**Surgical Operation Cancelled by the Power of God - Halima Z.**

I am from Winners Chapel International Chad. God healed me after suffering from ulcers for three years. I was restricted from eating different kinds of food and had to be operated on. After spending six hours in the theatre, the surgery was stopped and I was told to return after six months so the procedure could be completed. This happened in October and I came to Shiloh in December and presented the case to God. I also attended the Healing and Deliverance class. When I returned home and went back to the hospital after six months, tests were done and I was told I would not need to undergo the surgery anymore. I am totally healed and I thank God.

**Over 40 Years of Untimely Death****Destroyed - Ikemefuna**

I have come to appreciate God for terminating over 40 years of untimely death in my husband's family. Before now no male in my husband's family lived up to sixty years. We came to this church, keyed into the prophetic word and got involved in Kingdom advancement endeavours. Today, my husband is sixty-two years old. Also, after nine years of multiple fibroids, I had a baby girl. The doctors said my daughter would not develop properly like all other children, but she has developed well with no issues. She has also authored a book. On Friday at the 'One Night with the King' night vigil, Bishop David Oyedepo made a prophetic declaration that somebody was being healed of a growth in the marrow, that was me. On Monday I went to check through a test and there was no more growth. I give God the glory!

**Marital Delay Overturned by the Hand of God - Ekonte S-P.**

I noticed that in my family women don't get married and if they did, it would not be in church. The first person (my uncle) who attempted to get married in church died. The second person who made an attempt the wedding was cancelled. Two weeks to my wedding in 2015, the wedding got cancelled. I suffered multiple setbacks, and I threw myself into Kingdom advancement activities and put my marital issues on the back burner. Two statements by Bishop David Oyedepo kept me going. He said, "there is no star without a scar" and "the scar of every star is sacrifice". I prayed for other people to get married and last year God showed up. My introduction was done and this year I got gloriously married.

**Hole in the Heart Healed - Comfort S.**

The God of Shiloh destroyed the hole in my daughter's heart via the Shiloh mantle (prayer cloth). In 2018, my daughter was diagnosed of having a hole in her heart at five years old. I was told that a scan would be done and after the scan I would have to fly her out of the country for surgery. I tied the mantle around her waist asking the God of Shiloh to show Himself. On the scheduled day, they took my daughter to have her scan done, but after the scan the doctors were confused because they could no longer see a hole in her heart. Today, she is 10 years old. To God be all the glory!

## COVENANT STEPS TOWARDS LIVING A SANCTIFIED LIFE

BISHOP THOMAS AREMU

PLAY NOW

### What is Sanctification?

Only the sanctified will be glorified (Romans 8:30; 1 Thessalonians 4:3-4). Sanctification is separation unto God for holiness, righteousness and uprightness. It is also a lifestyle of walking and living in the fear of God. It must be a feasible and tangible evidence. Sanctification will lead to promotion when we walk the path of the justified, just like Daniel and Joseph. Sanctification can also be defined as inner purity with outer reflection (Matthew 5:8). There is what to do to become sanctified (Hebrews 10:36; 1 Thessalonians 5:23). Prayer is not a substitute to the obedience of faith or scriptural instructions (Luke 6:46). We do not chat sanctification, we walk the path of sanctification. Only those who walk in the fear of God, thrive in hard times (Acts 20:32; 3 John 1:2). God will not give us more than what we can handle spiritually. Nothing terminates rising and falling like sanctification (Exodus 12:13). If the enemy cannot get us to sin, he cannot get us to fall. Sin is a bait of the devil to destroy the believer (Psalm 92:14).

### What are the Demands of Sanctification?

#### Purify yourself

Evidence of salvation is that you have left your sins behind. (1 John 3:3; 1 John 3:8).

#### Purge yourself of evil thoughts and imaginations

It is your responsibility. If you want to be sanctified, purge yourself (2 Timothy 2:19-21).

#### Flee youthful lusts

Avoid things you are craving after that are not of God (1 Corinthians 6:18).

#### Be committed to a lifestyle of watching and praying

so as not to fall into temptation (Matthew 26:21).

#### Put off the old man with his deed

Put off your old style of life (Colossians 3:9-10).

#### Put on the new man that is renewed

Put on a new lifestyle. There is no vacuum anywhere (2 Corinthians 5:17; John 10:10).

#### Give no place to the devil

Hold fast to your sanctification by giving no place to the devil (Ephesians 4:27; James 4:7).

#### Exercise yourself to godliness

Holiness is practical. We must always enquire what God will do in any situation before we take action (1 John 4:17; 1 Timothy 4:7-8).

#### Do not be unequally yoked with unbelievers

(2 Corinthians 6:14-18; 1 Corinthians 15:33).

#### Take regular showers in the Word of God

Feed your spirit by studying and meditating on the Word (Psalm 119:9-11).

#### Abstain from all appearance of evil.

#### Engage the Holy Spirit on the altar of prayer to mortify the deeds of the flesh

Charge your spirit man by praying in the Holy Ghost consistently (1 Corinthians 14:4).

### DAY 3

#### The Place of the Mind in Life's Battle

- The mind is important because it is the battlefield of the redeemed (2 Corinthians 10:3-5).
- Battle maybe fought with weapons, but they are won in the mind.
- Life is lived from inside out. You cannot win in the mind and lose in life.
- The state of the mind affects the state of life (Proverbs 4:23).
- The most critical target of any enemy confrontation is the mind.

#### Examples of People in the Bible that Lost Because of the Mind

- **The children of Israel** – They allowed Egypt to enter into them. The greatest challenge Moses had was not bringing them out of Egypt but purging Egypt out of them (Numbers 11:4-5; Numbers 14:26). After 430 years, the bondage transferred to their mind. And the older generation whose minds were not renewed perished in the desert.
- **Gideon** – The worst form of limitation is self-limitation (Judges 6:14-16).

#### Examples of People in the Bible that Won Because of the Mind

- **Joseph** – He prepared for the future he was seeing. He interpreted the dream to Pharaoh and also gave the solution to the dream. It takes your mind to enter your destiny (Genesis 41:14-38).
- **David** – He saw Goliath as an opportunity too big to miss (1 Samuel 17:46).

- **Isaac** - We must have a different mind to enjoy a different life (Genesis 26:1-3).

“ THE MIND AS THE BATTLEFIELD OF THE REDEEMED

PASTOR PAUL ENENCHE

#### Impact of the Mind on Life

- The state of the mind defines the state of life. Mentality defines reality (Proverbs 23:7).
- The renewal of the mind equals the upgrade of life.
- A change of mind provokes a change of life season. Our season changes when our mind is upgraded (Luke 15:17-18).
- God hears and responds to thoughts like He hears and responds to prayers. Be careful, so that the thoughts God responds to are the right thoughts (Ephesians 3:20; Isaiah 65:24).
- The mind affects our access to God's voice. God needs the cooperation of our mind to do great things in our life (Philemon 1:14; Acts 10:19; Matthew 1:20; Job 23:13).

#### What to Do to Enhance Our Mind to Flourish in Hard Times?

- Avoid sin – Sin cuts short our glory.
- Avoid the wrong association and communication (Proverbs 13:20).
- Renew our mind continually with the Word because what we hear feeds our faith. What we hear determines what we fear (Deuteronomy 13:7; Romans 10:17).
- Think the Word, think productivity (Proverbs 21:5).
- Engage the power of the Spirit (2 Timothy 1:6-7).

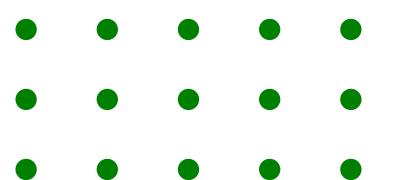

“  
**ENGAGING THE  
MYSTERY OF  
THANKSGIVING TO  
FLOURISH IN  
HARD TIMES**

PASTOR FAITH OYEDEPO

Thanklessness is one of the end-time plagues (2 Timothy 3:1-2). Thanklessness is a terrible risk. The mystery of thanksgiving is one of the mysteries of the Kingdom to overcome the problem of complaining. Thanksgiving is a choice not a gift. When you choose to be thankful, God will ensure you do not lack.

We must bless the Lord at all times because whatever we are going through, we are only going through, and we are not staying there (Psalm 34:1). Thanksgiving is the glue that attaches us to our blessings.

### **Why Must We Be Thankful?**

- God deserves and demands our thanksgiving (Luke 17:17-18; Isaiah 51:11).
- Life is a gift not a right. Thanksgiving helps us to focus on God who is the giver.
- It preserves, multiplies and perfects God's blessings in our life (Malachi 2:2-3).

### **How Does Thanksgiving Enhance Our Flourishing in Hard Times?**

- Thanksgiving provokes the continuous flow of fresh oil which empowers us to flourish in and out of season (Psalm 92:10-13).
- When we are genuinely thankful, it provokes divine intervention.
- Empowers us to live a supernaturally strengthened life (Nehemiah 8:10; Luke 10:21).
- When we are thankful, the prophetic Word is provoked for fulfilment (1 Thessalonians 5:18).

## THE SUPERNATURAL POWER OF FAITH (part 1)

BISHOP DAVID OYEDEPO

PLAY NOW

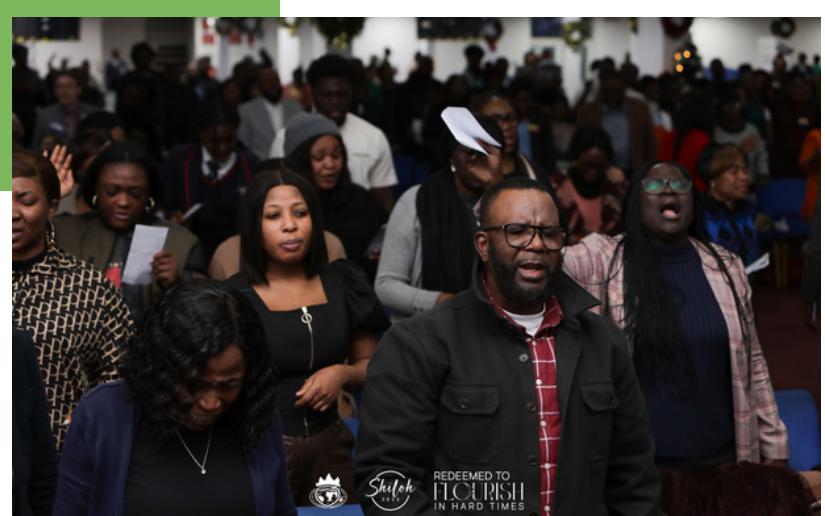

“

What determines the destiny of the believer is faith (John 1:11-12; Matthew 9:29). Faith is the substance of Christianity. The Word will never become what it says without our faith. A believer has no identity without faith. The price Jesus paid will be wasted without our faith (Habakkuk 2:4; Galatians 3:11; Hebrews 10:38; Romans 10:17). Without faith, we shut God out from performing. Faith is what determines the limit of our destiny. It is to everyone according to their faith. Faith demands all the attention we can give it. We cannot sink with faith. We only sink when our faith is not in place or not adequately built up to handle the storm. Faith comes as we keep hearing and understanding the Word of God (Romans 10:17; Proverbs 4:7). Faith has capacity to keep growing through spiritual understanding of the Word (Philippians 4:13). The greater our faith, the stronger our command of the affairs of life. We must build our faith to the point where anything God says is final. We must receive the grace to commit to whatever grows our faith.

### What is Faith?

- Faith is obeying God to prove that we believe him; thereby committing Him to fulfilling His Word. Faith is not a belief system, it is a spiritual weapon.
- Faith is not waiting for God to work. Faith is putting God's Word to work so as to confirm His Word in our life. If we will not walk in the fear of God, we are likely to suffer hardship (Psalm 37:18-19).
- Faith is being fully persuaded of the truth, the prevailing circumstances notwithstanding until the truth triumphs. Truth will always triumph no matter the level of the enemy against it. When we get fully persuaded that this era of the church is our golden days, we will be at rest (Hebrews 10:35-36; 2 Corinthians 2:14).
- Faith is a spiritual force within us that determines the happenings of our life (Matthew 9:21-23).
- A display of confidence in God until what is desired becomes a reality (Hebrews 10:35-36).
- Faith is our access to a world of unlimited possibilities. It takes faith for God's people to subdue Kingdoms (Hebrews 11:33-34; Isaiah 53:1; Luke 1:45; Mark 9:23).

## “ THE SUPERNATURAL POWER OF FAITH (part 2)

**BISHOP DAVID OYEDEPO**

PLAY NOW

Faith is the mystery behind the triumphs of the saints. This is the victory that overcomes the world even our faith (1 John 5:4). No child of God is permitted to live a defeated life. We have the heritage of triumphant living because of redemption. Faith makes us overcome the challenges of life.

### What Makes Faith a Mystery?

- Faith is not a belief system. Bible faith is a spiritual weapon and listed among the whole armour of God (Ephesians 6:16). It has the capacity to handle attacks from anywhere with landslide victory, “unchequered triumph”. It is a dreaded weapon in the world of the spirit. Faith is able disarm the enemy as if they never existed.
- Faith draws on the power of God to accomplish the impossible (Luke 8:46-47). Faith is the only way to tap into the virtue that heals and sets free. In addition, God delivered Daniel from the lion’s den because he believed in God (Daniel 6:23).
- Faith strengthens the believer to command the unimaginable and receive exploits that are yet to be seen (Hebrews 11:11-33; Daniel 11:32-33).

When faith is at work, our spiritual strength is in place to dare the unimaginable and forcefully deliver our desires. Faith is a mystery; it is not a principle nor an ideology (1 Timothy 1:19; Proverbs 24:10).

- Faith provokes the healing power of God to make us whole. When faith comes alive, sickness and disease take off (Luke 8:46-48). Faith has the capacity to heal all manner of sickness and disease.

### What is Unique About Bible Faith?

- Bible faith is of the heart and not of the head (Romans 10:10. Mark 11:23). It is domiciled in the heart and not the head.
- Bible faith establishes our partnership with the invisible God, thereby empowering us to command the impossible. Faith makes God real to the believer (Hebrews 11:24-27)
- Faith thrives on what the eyes cannot see (1 Corinthians 14:17-18). Faith at work is God speaking to us from His Word. Rhema faith is the base of all raw faith (1 Samuel 3:2; Matthew 8:17).
- Every day is God’s day, the day we choose to believe is our day (2 Corinthians 6:2). There is no irreversible case with bible-based faith. Bible faith is never late for its delivery. Every time faith comes alive, God steps in to deliver. There is no closed case with faith.
- Bible faith unleashes its power through the tongue, whilst its base is in the heart. Bible faith would only engage through our tongue, as there is power in our tongue (Proverbs 18:21). Faith can only deliver through the declaration of our mouth (Mark 11:23).
- Faith is a mystery that puts believers on top in all situations of life. There are no private revelations in the Kingdom. Every truth of scripture applies and is accessible to whosoever believes it (Matthew 16:27; Mark 13:3; Ephesians 2:6). Every testimony is a pointer to whosoever believes it and is interested in receiving (Psalm 119:111).

If our strength fails on the day of battle, then our faith was too small to begin with. Faith never grows on assumptions but it grows on cultivation. We must build our faith before the storm arrives; otherwise, we begin to cower when we try to build it during the storm (2 Thessalonians 1:3). We must grow faith and not wish it. Prayer cannot deliver unless the faith of the believer is on the line (Matthew 9:28-29).

Every miracle must answer the faith question before delivery (Matthew 10:41). We cannot access what a prophet carries without believing in the prophet. Every good thing is our entitlement and heritage in Christ; however, we must tap into it through bible believing faith (Matthew 7:11).

# SHILOH 2023

## Testimonies

### 10 Years Delay in Conception Destroyed - Mr and Mrs Favour U.

At Shiloh 2021, we gave our December salary and connected it to our marital breakthrough. Last year April we were gloriously married. Shortly after our wedding, I was diagnosed with UTI, ovarian cyst and multiple fibroids. The fibroids were occupying 95% of the uterus. The doctors advise that it is not medically possible for me to conceive unless I undergo a myomectomy. We brought the medical report to church and Pastor Faith Oyedepo told us the report would turn to a testimony. Shortly after this encounter, I missed my monthly period for the first time in my life. We went back to the doctors and got confirmation that I was 9 weeks pregnant. We were also advised to evacuate the pregnancy immediately because the baby would not survive, due to the size of the fibroid. If we decided to keep the pregnancy, the baby could have stunted growth, deformity and that I could have a miscarriage with severe bleeding and a 50/50 chance of survival. We returned home and continued engaging in Kingdom advancement endeavours. Six months into the pregnancy, I suffered a threatened miscarriage. The next morning my husband came to church with my picture and a mantle (prayer cloth). Bishop David Oyedepo prayed over my picture and declared, 'you will carry your baby alive.' After the encounter with the Bishop the baby's heartbeat that the doctors said had stopped was miraculously restored. On 17th January 2023, our son was born. We have come to give thanks to the God of Shiloh.

### 25 Years Marital Delay Terminated - Bright B.

I am here to thank the God of Shiloh for giving me my ordained husband after waiting for 25 years. Last year I met my husband here at Shiloh. Just last week, we had our glorious wedding. I told God that if He does this for me, I will return here to give my testimony. I give thanks to the God of Shiloh!

### 5 Years Financial Breakthrough via Shiloh Sacrifice - Tinola F.

God terminated financial struggles in my life. I decided to serve God through giving out my apartment for WSF and sowing seeds towards transportation on a weekly basis. At last year's Shiloh a lady gave a testimony of how she was sowing 20% of her monthly salary as Shiloh sacrifice. Being desperate for change, I told God I would be sowing 40% of my monthly salary. Suddenly, God showed up and gave me a real estate business. Just last week, a particular real estate company I was working with gave me an award and a SUV vehicle. To God alone be all the glory!

### Recurrent Premature Death Terminated on Shiloh Ground - Bernabe L.

There are 25 people in my family and every year someone dies. I joined Winners Chapel International in 2010. In 2015, I came to Shiloh on the anointing service day and Bishop David Oyedepo declared that there will no more be premature death in any family. I caught the word of prophecy and went home and anointed my father's compound. Ever since then, there has been no premature death in my family. Praise the Lord!

**5 Years Leg Ulcer Healed Via The Prophetic Encounter – Veronica C.**

I had an ulcer on my leg for over 5 years that could not be treated medically. When I started coming to this church, I received my healing at the Shiloh camp last year. I have come return to give glory to the God of Shiloh!

**10 Years Barrenness Destroyed Via Shiloh Encounter – Mr & Mrs T Siatebe**

We got married on 14th February 2013. After the marriage, my wife had two miscarriages and then her menstrual flow ceased. There was no way to conceive. We sought for medical advice and the doctor said she had ovarian cyst, polycystic ovaries and hormonal imbalance. My wife was asked to go for IVF and we used a donor egg. The IVF failed, but we never gave up on God. We came to Shiloh every year as we connected our Shiloh sacrifice to our miracle babies. Then last year Shiloh, 2021, we caught the word that children are a heritage of God and the fruit of the womb is our reward. We hang on to Kingdom services, Kingdom advancement prayers and soul winning. Last May, during Operation Change My Story, my wife was confirmed pregnant after 10 years of trying to conceive. Our bundle of joy arrived on 14th February 2023 and we have come to return all the glory to God.

**10 Years Marital And Career Stagnation Broken & Destroyed By The Power Of God – Henrietta K.**

I joined Winners Chapel International in 2016 and in 2017 I came to Canaan Land for the Shiloh convention. I caught the word in Matthew 6:33 and tapped into it. I returned to my home country and engaged in Kingdom advancement endeavours, soul winning and started attending the Covenant Hour of prayer. In 2021, I was gloriously settled in my home country and God gave us a bouncy baby girl. In 2022, the God of ‘double wonder’ showed up again and broke the yoke of career stagnation. I was promoted to managerial level and lo and behold we were also blessed with a brand new car. I have come to give thanks to the God of Shiloh!

**Cancer Healed By Prophetic Encounter And Kingdom Endeavours – Regina A.**

This year I had carcinoma, what doctors called advanced cancer. The tumour was so big that I had to come and camp at Canaan Land. I met Bishop David Oyedepo who laid hands on me and said this sickness is not unto death and I received the prophetic word. I started applying the anointing oil, going for Kingdom advancement endeavours, going out for soul-winning and praying for people sick. To the glory of God, I am healed and free!

**18 Years Demonic Neck Pain Destroyed by Prophetic Utterances – Chichi N.**

Among the countless testimonies is one that happened to me on this Shiloh ground this morning. I have been having severe neck pains for 18 years. I have gone for all medical tests and taken many pain relievers, but the pain never left. Today, as I raised my hand during the ministration, I felt the pain again and I said, ‘God, when will you heal me of this pain’ and just then the Pastor said that person with that neck condition, it is over. That was it. I can now turn my hand anyhow. Thank you, Lord!

**20 Years Yoke Of Barrenness Destroyed On Shiloh Grounds - Stella A.**

I joined Winners Chapel International in 1994. I believed God for the fruit of the womb for two decades. Every year I would come to Shiloh with the assurance that God had answered me, but yet did not see anything. During Shiloh 2013, Bishop David Oyedepo said whilst preaching that God is not a robber. I was about to go for IVF, but instead sowed the money which I left on the altar, but I came back empty again. I continue to wait on the Lord and then at Shiloh 2021 I paid all my sacrifices I had missed the previous year because I had giving up at a point. Then the Holy Spirit said it is time to settle you. In March 2022, during the Fruitfulness service I told my friends in the choir that I am going to have a baby, but they responded that it is not possible at my age. From that time, God started working on me and today God has blessed me. I have come to present my baby to the God who does not rob us.

## DAY 4

Every Child of God is ordained for exploits. Exploit is defined as outstanding record-breaking achievement. It means to stand-out amongst one's contemporaries; to be singled-out and to be distinct (Matthew 5:13-14). Our life is destined to be outstanding. Regardless of wherever we are now, there is a new level waiting for us. God wants every area of our lives to be a source of reference to others. We are yet to operate in exploits if our results are not catching men's attention. God's end-time church is a church of giants, so we cannot end-up as dwarfs (Micah 4:1-2).

However, a principal requirement for us to be listed in the end-time army is meekness (Matthew 5:5). Meek people are blessed people. Meekness means to be humble. The opposite of meekness is pride. Meekness is one of the fruits of the Spirit (Galatians 5:22-23). Every one of us need meekness for the fulfilment of our destiny. Whilst charisma can give us a place on earth, it is the fruit of the spirit that guarantees our place in eternal life.

## What is in Meekness that Engenders the Birth of Giants?

- **It enhances our access to more grace** (2 Corinthians 3:5-6). Grace is divine enablement. Anything great that happens in our lives is not due to our ability or capacity, but God working in us (James 4:6).
- **It enhances access to increasing revelation** (Psalm 25:9). Only the meek are teachable. The proud person "knows everything". It is what God reveals to us that reveals us to our world. When we contact divine revelation, we keep going up in life.
- **It enhances a believer's obedience.** Meek people respond swiftly to God's instructions (Psalm 112:1-3). A meek person does not question nor analyse God's instructions, they simply obey.
- **It makes great** (Numbers 12:3; Exodus 11:3). Every meek person ends up great in life.
- **It enhances access to divine guidance.** This helps believers to ride triumphantly in life. When God leads us, He leads us to a place of exploits. His leading may not be conventional, but it will lead to a place of surplus (Isaiah 48:21). When God is leading, there is no stagnation.

## THE MEEKNESS FACTOR IN THE SCHOOL OF EXPLOITS

PASTOR YINKA FOLORUNSHO

## Examples of Meekness-Made Giants

- **Abraham** (Genesis 13:15). Abraham, in meekness avoided conflict and allowed Lot to choose where he wanted to settle. He recognised it was not just about his right, rather, a right-standing with God. He still ended up delivering Lot's soul. A meek man cannot be cheated nor disadvantaged. Due to a heart of meekness, God swore a blessing unto Abraham (Genesis 22:16-17). He sowed in meekness despite the famine, in obedience to God. Meekness always enhances swift obedience.
- **Joseph** (Genesis 41:16-17). When God approves of us through our meekness, our greatness shows. God will always prove us before He approves us.
- **Gideon** (Judges 6:12-13). God is not looking for the strong, but the faithful.
- **Paul** (1 Corinthians 15:9-10). No one can ever outgrow knowledge and the only way to know more is to remain meek (Ecclesiastes 4:13).

## PROPHETIC WARNING TO THE ENDTIME CHURCH

- BISHOP DAVID ABIOYE

PLAY NOW

A warning is a friend and not an enemy. When we ignore warnings, we end up in danger. Warnings are for our salvation (Ezekiel 3:18). In these last days, sin and evil abound and the church is complacent. There are a lot of alternatives being introduced to the church. We must avoid replacing the Holy Ghost fire with fun and excitement. The church must wake up. The churches in the book of Revelation are an example of the end time church (Revelation 2:3). Christians need to maintain the faith and not draw back (Matthew 19:30).

### Why the Prophet Warning?

- **To raise alarm on the risk of spiritual slumber** – We must stay awake to keep the enemy away (Joel 2:1; Romans 11:8; Matthew 13:24-25). Samson and Saul suffered the consequences of spiritual slumber (Judges 16:16-19; 1 Samuel 26:7-8). The enemy can only steal when believers are asleep (2 Samuel 11:1-2).
- **To awaken the church to vigilance** – We need to be sober and not get carried away by excitement (Ephesians 5:14; 2 Corinthians 2:11; 1 Peter 5:8; Amos 6:2; Hosea 7:8-10; Acts 5:13). Let us therefore take heed, so as not to fall (1 Corinthians 10:12).
- **To maintain the purity of our faith** – Our faith has no future without a good conscience (1 Timothy 1:19-20). A call to repentance keeps our faith alive as iniquity abounds (Matthew 24:12-13; 1 Timothy 4:1-2).

### What is Repentance?

It is soberly expressing deep remorse when we fall into sin. David repented and was forgiven by God (Proverbs 28:13). We receive mercy when we confess and forsake our sin. Repentance is not a once and for all event, but a once and again practice (1 John 1:6-10; Isaiah 59:1-2; Matthew 6:12-13; Hebrews 4:15). The churches in scripture received a warning to repent.

- **The Ephesus church** – They were admonished for leaving their first love (Revelation 2:1-7; 1 John 3:18).
- **The Smyrna church** – They were admonished for being fearful (Revelation 2:8-10).
- **The Pergamos church** – They were admonished for their immorality (Revelation 2:12-17; Numbers 23:21).
- **The Laodicea church** - They were admonished for their lack of zeal (Revelation 3:19).
- **The Thyatira church** – They were admonished for their immorality and idolatry (Revelation 2:18-24).
- **The Sardis church** – They were admonished for their spiritual death (Revelation 3:1-6).
- **The Philadelphia church** – They were admonished for their weakness (Revelation 3:11).

When we do not repent God turns away (1 Kings 21:27-29; Psalm 51:11; 2 Samuel 22:13).

#### ENGAGING COVENANT CHANNELS OF BLESSINGS TO FLOURISH IN HARD TIMES

BISHOP DAVID OYEDEPO

PLAY NOW

The blessings of God make rich and adds no sorrow (Proverbs 10:22). We can walk in the fullness God's blessings when we know how to access them.

#### What are the Channels of God's Blessings?

##### The channel of obedience

The principal channel of God's blessing is through obedience. Obedience brings us into blessing and preserves the flow of blessing. Abraham had a flourishing destiny because of his tireless and cheerful obedience to God. He had a testimony that he obeyed God and walked under sworn blessings from God (John 8:38; Genesis 22:16; Deuteronomy 28:1). We have to know and embrace obedience to experience God's blessings. For example, only the blood of Jesus can clear our conscience (Mark 7:21-23; Hebrews 9:14; Zechariah 9:9-12).

##### The channel of parental blessing

Parental blessing carries the seal of longevity (Exodus 20:12; Ephesians 6:1-3; Genesis 49:22-26; Proverbs 20:20).

Let us be mindful of the devices of the enemy so as not to disconnect us from God's blessing (2 Corinthians 2:11; 2 Timothy 3:1-2; Judges 18:7-10; Luke 12:18-19).

##### The channel of priestly blessing

Priestly blessing is vital to access God's blessings (Genesis 14:19; Numbers 6:22-27; Hebrews 7:7; Galatians 3:29) and maintain spiritual covering (1 Kings 17:15; 2 Kings 4:1-7; Luke 4:25-27). The priestly blessing requires our faith and sustained connectivity (Matthew 10:41).

##### The channel of godliness

Righteousness imbues boldness and a turnaround (1 Timothy 4:7-8; Isaiah 32:15; Proverbs 28:1; Isaiah 51:1-3; 1 John 3:7). Righteousness enhances the quality of life (Romans 8:6).

We are in a day of great contrast. The following contrasts depict the times we are living in:

A day of gloom and glory (Joel 2:1-3). A day of gross darkness and great light (Isaiah 60:1-3; Matthew 4:16). A day of devastation and celebration (Malachi 4:1-2; Malachi 3:6).

A day of despair and exemption (Exodus 3:21-22; Genesis 47:15-27). We should choose which side we are on. God will not choose for us. Obedience will keep us on the side of blessings and disobedience on the other side (Deuteronomy 28:1-14; Deuteronomy 28:15-56). Let's wake up and make responsible choices to decide which side to be on because days of trouble and triumph are here. Only those who are on the Lord's side shall be spared from the horrors of the end time (Exodus 32:26).

## APPLIED INSIGHT TRIGGERS TESTIMONIES

BISHOP DAVID OYEDEPO

### A Shift in the Spirit (Deciding Which Side We Are On)

- There is a shift from the realm of promises to the realm of covenants (Psalm 89:34). We are in the days of the table of the covenant. The depth of knowledge is an ever-increasing depth (Romans 11:33). We need to understand that we cannot come under a sworn blessing without rearing the altar of sacrifice (Isaiah 43:4; Genesis 12:3).
- The covenant is open to all and each one enters into it as he chooses (2 Chronicles 15:12). Promises may be broken, but not covenants (1 Samuel 2:30).
- There is a shift from the realm of seeking self to the realm of seeking God first (Matthew 6:33; James 4:1-3). Until self is dethroned the future is not secure.
- There is a shift from the realm of faith to the realm of obedience of faith. Any faith void of obedience is fake.
- A shift from the realm of confession of faith to the realm of profession of faith (Hebrews 10:23).
- A shift from the realm of receiving to the realm of giving and receiving (Philippians 4:15-19). Our giving is not a donation. It is a covenant walk.
- A shift from the realm of seeking for help from God to seeking after God (Psalm 34:10).
- A shift from the realm of knowledge to applied knowledge.

Every testimony is a product of applied insight. We are created to carry signs (John 3:8). Every child of God is ordained a walking miracle (Isaiah 8:18). We are redeemed as signs and wonders to our world (John 2:5-11). Testimonies don't happen by chance. Applied insight is what triggers testimonies and supernatural manifestations (Philippians 2:12-13). It's time to take responsibility. When we commit ourselves to what He says, God is committed to perform His word. Every outbreak of light is a release of treasure (Deuteronomy 8:18). God's prosperity plan is a covenant (Genesis 8:22; Jeremiah 33:21). It does not respond to prayer.

The light you will not walk in won't hold value for you. Nobody goes forward sitting down. We go forward taking steps. Line up with the terms of the covenant on the subject of interest to you and that is how the shift applies to you. Taking covenant responsibility is what makes commanders in the Kingdom. Covenant people don't look for miracles, they naturally walk in miracles. The choice is yours to make. Everybody needs grace to not look back. If you stay on the Word, you are abiding to divine nature (Proverbs 4:20-22; 2 Peter 1:4).

### Back Pain Healed via Shiloh Impartation

- Albert K.

In 2018, I was knocked down by a car in Ukraine where I attended medical school. This resulted in back pain in 2019, which became very severe in 2020. An x-ray revealed that I had an abnormality in my spine. As a result, I had to wear a lumbar support on my back to be able to sit and walk without feeling pain. During the impartation service of Shiloh 2020 which I watched from Accra, Ghana I keyed in when Bishop David Oyedepo instructed us to touch the area where we felt a pain, and I obeyed. Immediately, the pain ceased. The next x-ray showed that everything had been restored.

### Multiple Blessings via Undeterred Kingdom Service - Bukola O.

In 2019, my wife and I were privileged to plant a church in Canberra, having operated WSF for 5 years. Due to Covid-19 pandemic the church planting did not commence till February 2021. Around the same time, I was made redundant at work. But I was undeterred from serving God. I was sold out to serving God at different levels. We started running all the services in church as though I was a full-time pastor, refusing to see myself as volunteer. In the course of all our Kingdom advancement endeavours, God told me to launch my part-time business at full scale. As a trained architect, I upgraded my design business to a construction firm in 2023. I connected my Shiloh sacrifice to my business breakthrough last year, then God showed up. After Operation by All Means, I got a contract worth over \$1 million. And a second one came after Operation Change of Story, worth over \$2 million. The local assembly is also thriving and our numbers are increasing spiritually and numerically.

### Elevated by Following God's Instructions - Etim B.

During last year's Shiloh, I asked God what He would that I give as sacrifice, and He inspired me to give towards transportation. I committed to providing a bus shuttle from Ajah to Lagos. I then felt a prompt to increase my giving due to the increase in fuel price and I obeyed. Exactly one hour and one second later, I got a call, asking me to pick up a brand-new SUV for myself. As a result, I committed to giving again last month and also devoted myself to expanding our zonal area. As I did that, I got a promotion at my organisation from country manager to a manager of four African countries.

### Inspired at Shiloh and Now a Global Wonder - Wendy O.

At Shiloh 2016, Bishop David Oyedepo declared that saviours shall arise from this church, and it changed my life. I got an inspiration to start teaching parents on how to raise children intentionally. I started an organisation in 2018 and sold thousands of copies of my first book and sowed all the proceeds. It has now become a global brand - the best parenting coaching outfit in Africa and one of the best in the world. The book has now sold over 50,000 copies. I have represented Africa on the world stage and was named one of the top-20 parenting coaches globally in 2022. Our annual events reached one million views this year. I have authored 14 books, over 20 guides that have sold thousand across the globe.

### 13 Years Barrenness Terminated – Divine D.

I have been married for 13 years and was believing God for the fruit of the womb. Every time at Shiloh, I would bring baby items. Also, I participated in Kingdom advancement endeavours, I made sure to bless people daily and served in the children's church. People used to mock me, but I kept believing and serving God. In years 2021, my husband was posted to Lagos by Bishop David Oyedepo. This stirred up rumours of people stating "Bishop David Oyedepo wants to use him as a conductor" but I told God that every conductor will always have a passenger. Then I prayed that God should give me a generational passenger. My life was also threatened and we were privileged to meet with the Bishop who prayed for me and said the siege over my life was over. Despite the negative medical reports I became pregnant. Today, I am here with my baby. God has terminated barrenness from me. Praise the Lord!

### 14 Years Hemorrhoids Healed via Word Encounter at Shiloh – Augustine D.

I wrote one prayer request down based on the instruction given by Bishop David Oyedepo. The request was for God to heal me of Haemorrhoids that afflicted me for 14 years. They caused bleeding from my anus, but after the prayers and praise the Bishop said every sickness you came here with will not return home with you. I felt something leave my body and after I examined myself I discovered that I have been healed. I want to give God all the glory!

### 20 Years Barenness Terminated – Mr. & Mrs. Olawale

We have come to give glory and praise to Almighty God of Shiloh. During our waiting for a baby we did not panic or visit any hospital. This baby is purely from Jesus. We have never missed any Shiloh convention since we got married. Furthermore, we have never been down cast in anyway or reluctant to serve God. We served God with all our might and resources and engaged in anything that involved giving to the church. My wife was treated for malaria in July, later in September for typhoid which was very unusual because in our 20 years of being together we have only been to the hospital once or twice. The illness persisted till October when I asked my wife to do further tests. God hid the testimony from everyone because my wife came back with a report of being four months pregnant. A week after our 20th anniversary God gave us this baby boy!

### 16 Years Career Stagnation Terminated – Oluchukwu O.

In the year 2021, I had no idea how I was going to pay my Shiloh offering and sacrifice, but I knew I had to pay regardless. I started engaging in Kingdom advancement endeavours and asked God to look in my direction. In January 2022, the Lord blessed me with a job whose monthly salary was equivalent to my previous job's annual gross pay. It can only be God who did this for me and I return all the glory to God.

### Ministerial Appointment After Prayer at Shiloh - Betta E.

At Shiloh 2022, I prayed that by next Shiloh (2023), I would be a minister of the Federal Republic of Nigeria. On the last day of Shiloh as I was walking out, I saw Bishop David Oyedepo and asked him to pray for me. He said, "It is done". I have returned to say that I am now a minister of the Federal Republic of Nigeria and the youngest in the cabinet. I return all glory to God!

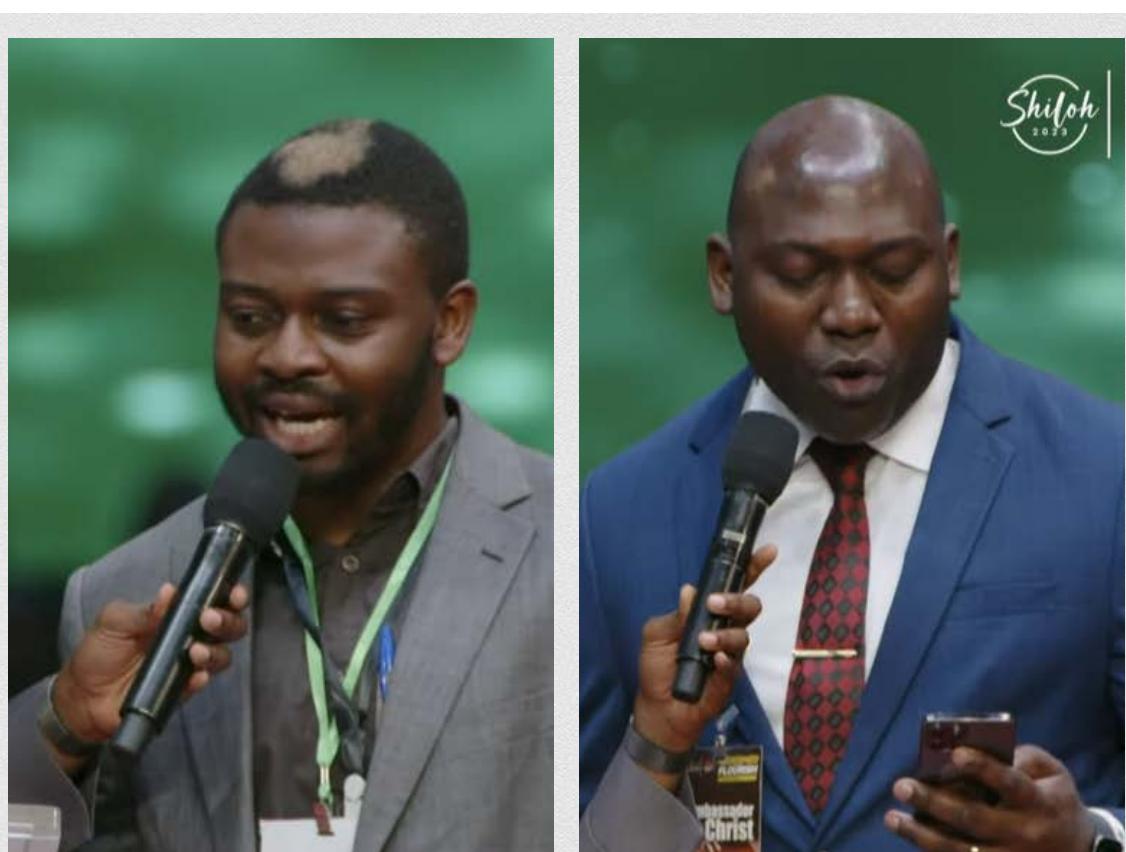

### Three Years Affliction Terminated by the Hand of God – Vicki N.B.

I experienced a strange illness from 2020. My body used to itch and I would feel objects moving in my body. The movements had a cold sensation and causing me to scratch my body to the point where my skin would bleed from scratching. The sickness stagnated my career. To the glory of God, Bishop David Oyedepo mentioned my situation and when I got home I realised the itching had stopped and the symptoms have not returned.

### Multi-dimensional Breakthrough via Shiloh Encounter – Adeyemi A.

I have come to glorify the name of the Lord for business breakthrough in the company where I had the right to pilot in the last 2 years. To the glory of God there are a couple of things that God has enabled us to do by the word that came from this Shiloh ground last year. The first word of knowledge came from Pastor David Oyedepo Jnr from the business class. God told me He was going to establish the footprint of our company in 10 language speaking nations and to the glory God five African nations have been achieved this year. As well as one in the UK and one also in Dublin. Another word of God came from Bishop David Oyedepo when he said giants shall arise from the Winners family. As an organisation, we go on quarterly corporate outreaches, soul winning and give to the needy. As a lifestyle I read God's word every day before I eat any physical food; we don't miss corporate tithing every month and we have a corporate budget to minister to needs of others. This year God added five new estates to us as a company, He gave me a local and global award including the best CEO in Nigeria and one of the top 100 young entrepreneurs in Africa. Lastly, God healed one of our clients from liver enlargement.

## IMPARTATION SERVICE

### PATHWAYS TO ACCESING IMPARTATION OF THE SPIRIT OF FAITH

PLAY NOW

BISHOP DAVID OYEDEPO

Fear is a spirit of the devil and of darkness and faith is the spirit of God and light. Where the spirit of faith is the spirit of fear cannot dwell.

### What Are Characteristics of the Spirit of Faith?

Faith in God exhibits unique and special characteristics.

These are the examples that show that faith is working within an individual's life:

- It is God confident - To put your full and wholehearted trust in God and what He can do. (*Philippians 3:3; Philippians 4:13*).
- It is Word Confident - Regardless of the situation your confidence is on the word of God. (*Romans 4:16-21; Matthew 6:33*).
- Empowers believers to believe all things - It douses all doubts and double mindedness (*Acts 24:14*).
- It strengthens our inner man to remain unshakable (*Ephesians 3:16; Hebrews 11:11; Daniel 3:16*).
- It boosts our expectations for answers to prayers (*1 Kings 18:44; Mark 11:24*).
- It is Action Driven - Your faith begins when you grab the word (*James 2:18; Genesis 12:4; Genesis 22:2*).
- Commands the supernatural at will – the commanding of the supernatural gives the ability to do that which is seen as extra ordinary.

There is no force from earth that can dominate faith because faith has the capacity to quench all the fiery darts of the devil. At Shiloh one of the main captions is to dominate the land, that is what is done at Shiloh.

Dominion is only possible with the spirit of faith at work. Everything that God does comes through the channel of Faith. We are saved by grace through our faith; we are delivered by grace through that same faith.

It is through faith that Israel subdued kingdoms. It was through faith that situations and circumstances were subdued. Daniel and the three Hebrew boys subdued the enemy through their faith. The mountain moving faith put the enemy and all his cohorts to shame and that is the same faith that all believers need to exhibit to prevail.

The same spirit of faith is at work from generation to generation, it has a generational transmission. This is transferred from one generation to the other. (*Ecclesiastes 10:15; 2 Corinthians 4:13; 2 Timothy 1:5*).

Everyone needs the spirit of faith to prevail in these hard times and circumstances. The faith of the saints prevails against the end-time agenda (*Daniel 7:27*).

#### Manifestation of the Spirit of Faith

Faith is manifested through an array of different ways and the manifestation of our faith makes us to succeed in the Christian race of life.

- It empowers us to respond spontaneously to the challenges of life- It reacts Instantaneously (Matthew 10:20).
- It speaks the unspeakable- it speaks the truth, truths that people are scared of (Psalms 82:6-7; 2 Corinthians 6:18).
- It dares that which cannot be dared.
- It commands exploits - It gets things done that may never have been done (Hebrews 11:33). True faith dominated Kingdoms.
- It condors' peace that passes all knowledge and understanding (Hebrews 4:3; 9).

#### How to Access the Transference of Faith

- God is the Umpire behind the Transference of Grace (Numbers 11:16-17).
- Identify a carrier (Matthew 25:9).
- Receive the person and the ministry of the carrier- once you receive it, it becomes yours.
- Stay connected for the continuous flow- you must be connected to the word and be in the presence of God.
- You must feed the treasure on the word of God - the word of God is the only source of power, so you must feed on the word.
- Engage a sonship tie with the carrier - you need to have a connection to the one that carries the unction to be able to function accordingly (Proverbs 13:22).

### Breakthrough in politics through Shiloh

- David S.U. Jimuta

In Shiloh 2021 the Lord told me that I will stand at the exalted altar at Shiloh and share the testimony of how I became a Senator of one of the states in the Federal Republic of Nigeria.

God told me to sacrifice the amount of the nomination form of Shiloh 2019. I did as God asked and I sacrificed unto Him. I defeated all the incumbent senators and now I am seating in the office of senate.

### Business and Career Breakthrough -

Prof. Simon Legah

In 2018 I was going to travel to Canada and the Lord told me to come to Cannanland before the trip. I met with one of the pastors in Cannanland who prayed for me. I was looking unto God for the course to study and the Lord directed me to study IT.

I obeyed the instruction of God and enrolled for the IT course that would catapult my career and business to the next level. I completed the course and finished top of the class. The Holy Spirit directed me to launch the company "Landmark Tech" an online training platform IT which I did. When I started in July 2020, we had 12 students in Shiloh 2020 I put my Shiloh sacrifice.

In less than 3 years we have trained 5000 participants in 45 countries. The Lord gave me uncommon wisdom that those that train with Landmark Tech go on to secure posts in big organisations all over the world.

Since Shiloh 2020 I can confidently say that the Lord has increased me a 1000 fold. I have awarded scholarships worth over \$250 000 and I have gifted a house to a widower. I give all praise and glory to God!

### Breakthrough in Business - Isaiah E.

I'm here to give God all the glory! In 2020 the Lord instructed me to sacrifice my last salary earnings for that year, I heeded to His instruction and gave my sacrifice.

Then the Lord instructed me to start a snail farm. I followed the instruction and started researching on the snail farming industry. In 2021 and 2022 I trained a few people all over Africa. In 2023 the Lord gave me a vision to manufacture snail snack food which I did and it's now yielding well in the market. To God be the glory as every time Bishop Oyedepo visits our university, he always declares that giants are raising. Indeed, I give thanks to God because I am one of those giants.

## THANKSGIVING SERVICE

**“ ENGAGING THE WONDERS OF THANKSGIVING**

PASTOR MATTHEW ABIOLA

PLAY NOW

### What is Thanksgiving?

Thanksgiving is the will of God that makes Him fulfil His Word. After we have given thanks, which is the will of God, we can be confident that He hears us and we have the answers to our petitions.

### The Wonders of Thanksgiving

- **Answer to prayers** - If thanksgiving is the will of God in all situations, we need to know that God hears our thanksgiving the same way He hears our prayers. Thanksgiving brings speedy answers to a believer's prayer. We have been told that it is possible to pray amiss (James 4:3). It is also possible to not pray as we ought to pray (Romans 8:26). Prayer can be limited, but thanksgiving cannot. We cannot thank God amiss. Those who thank God more see answers to prayer more.

- **Thanksgiving gives us access to an audience with God** – When we pray, angels are sent to attend to us (Daniel 10:1-14). The story of Daniel tells us that prayer can be delayed, but thanksgiving cannot be delayed. Why is this so? It is so because when we pray angels are sent to us, but when we give thanks, God Himself comes to us. Angels can be stopped, but God cannot be stopped. (Psalm 24:7-10). When you are a thanksgiver your prayer requests become less because you need less prayer when in thanksgiving. Everywhere in the Bible where Jesus gave thanks, He prayed less as in the story of Lazarus (John 11:40-41). In the words of Bishop David Abioye, ‘thanksgiving is the appreciation of God in anticipation of what He will do.’

- **Supernatural multiplication** – Jesus gave thanks for the five loaves and two fish and they multiplied (John 6:6-13). It is the appreciation of God that leads to the appreciation of men. In other words, nothing diminishes in the hands of a thanksgiver. Thanksgiving is a covenant multiplier in the Kingdom of God. When we pray God can add, but when we give thanks, multiplication happens (Jeremiah 30:19). When we understand this it will boost our performance and when understanding is buoyant, performance is seamless.

- **Supernatural victories** – Life is a battle and everyone is fighting one. Life is not a funfair but a battlefield. To keep enjoying supernatural victory, thanksgiving is non-negotiable. We see this in the life of Judah (2 Chronicles 20:1-3). God is the master strategist. When we pray, we are the ones fighting the battle, but when we give thanks, God takes over the battle. This is why it is called supernatural victory because we do not need to fight (2 Chronicles 20:22-24; Colossians 4:2). Until victory is sure, we cannot possess our possession. In every man's promised land there are giants to stop you from accessing your possessions and this is why we need God by engaging in thanksgiving.

## The Wonders of Thanksgiving Cont.

- **Supernatural turnaround** – Jesus gave thanks and Lazarus came forth from the grave. God turned around what looked like a dead or closed case. As we engage thanksgiving, everything that has been proclaimed upon our lives at Shiloh will become a reality.
- **Supernatural preservation** – God will preserve every blessing that has been delivered to us at Shiloh 2023 (Malachi 2:1-2). When you are not in thanksgiving, you lose your blessing. God has already spoken His Word and your blessing is sure because His Word has gone ahead of you (Psalm 56:4). God's Word is enough and He does not lie (Numbers 23:19).
- **It perfects our blessing (Luke 17:17-19)** - We do not have to see or feel anything yet to know that we have our blessing (Psalm 119:162). In this Kingdom, we believe it and then we receive it (Luke 1:45; Psalm 138:2; Psalm 138:8). We have entered the best season of our lives. We have entered the ark! There is a prophecy on our lives that has already gone ahead of us.

## How to Give God Thanks to Move Heaven?

- **Thank God with understanding** (Psalm 47:7). Understand there is word over your life and that God has done it.
- **Thank God from your heart** (Jeremiah 30:19). Thanksgiving is internal-outward, not outward-internal. So, if you are not singing outwardly, it means you are not singing inward (Psalm 103:1).
- **Thank God joyfully** (Psalm 100:1).
